

# KINDNESS TO COMMUNITY

**Our Kindness Focus for December and January is “Kindness to Community.”  
All Saints Spreads Kindness like Confetti in the community!**

**What can I do?**

- You and your family do a kind act for someone in the community.
- Fill out a piece of confetti from the back of this page (tree, Christmas light, stocking).
- Check out our ideas below for ways to be generous and kind to the community.
- Put your confetti into our “Confetti Jar of Kindness” in the front office.

*We hope you are inspired to spread kindness to your community!!*
