

$$3 - 3 =$$

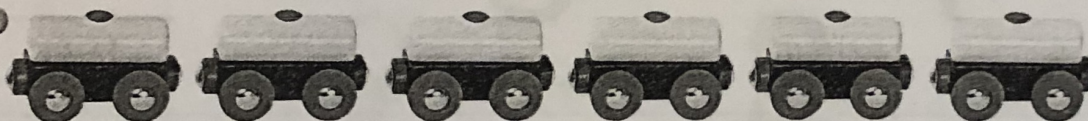

left

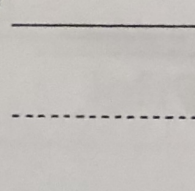

$$5 - 3 =$$

left

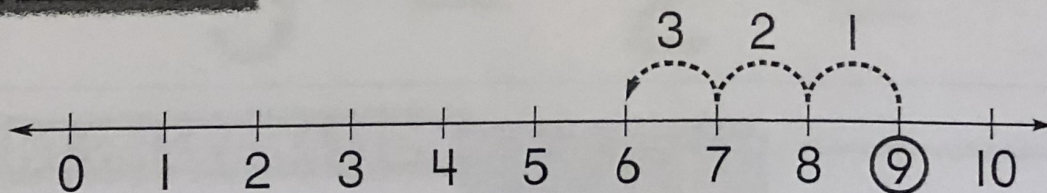

$$6 - 3 =$$

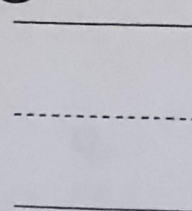

left

CHALLENGE

$$9 - 3 =$$

Directions

X three objects to subtract 3. Write how many are left.

Subtract. Use the number line to count back. Complete the subtraction.

Math Alive at Home Say "3 take away 3 equals 0" to your child. Have her/him write the subtraction using numbers and symbols. ($3-3=0$). Repeat taking away 3 from numbers 9 through 4.
