

Share What Your Student Is Making At Home

All Saints students may now submit their work to the All Saints' Virtual Art Show through Artsonia. Students are free to submit as many pieces of art as they choose. This is a way for students to share the artwork that they have made while at home with their peers and teachers. To submit work, students should go to [Artsonia.com](https://www.artsonia.com) and scan or type in the access code. Once they enter the All Saints class page they will be able to add their name and parent email to the roster. Student usernames and artwork will be private until their parent or guardian gives permission for it to be viewed publicly.

To get started, download the Artsonia 6.0 app in the Apple or Android app store, select the "Students" option, then scan the Access Code above (or manually type in the code). You can also go to **www.artsonia.com/class** on a browser if you don't have a compatible device.
