

All Saints Catholic School Reopening Parent Survey – July 2020

Below are results of the Reopening of School Parent Survey conducted in July 2020. The purpose of the survey was to gain a broader understanding of the needs and preferences of our school community regarding the reopening of All Saints Catholic School for the 2020-2021 school year.

Question 1

Although we anticipate at this time that students will return to the building for some in-person instruction as we begin the year, it is likely that social distancing restrictions will remain in effect. Given the understanding that any variance from the 6-foot physical distancing guideline would require greater compliance with other health mitigation strategies, such as the wearing of masks, please indicate your preference. *(183 Answered)*

Responses:

- Yes, I would prefer that the school implement a variance to allow for less than 6-foot physical distancing with an increased requirement for the wearing of mask.
47.54% - 87 Responses

 - No, I would prefer that the school adhere to the 6-foot social distancing guideline.
52.46% - 96 Responses
-

Question 2

Assuming that some in-person instruction will occur for students in grades K-8, please indicate your preference at this time regarding your child's participation. *(190 Answered)*

Responses:

- Yes, I am planning to send my child/ren to school for in-person instruction.
81.05% - 154 Responses

 - No, I am not planning to send my child/ren to school for in-person instruction and would prefer that he/she participate in eLearning.
9.47% - 18 Responses
-

Question 3

Mindful of the priority of having our students participate in on-site learning to the greatest extent possible and the importance of aligning our plans with parent schedules, please indicate your preference in the event that in-person instruction occurs less than five days per week. *(185 Answered)*

- Option #1 – Two student groups within each grade level that attend either Monday / Wednesday / Friday or Tuesday / Thursday with a rotation between the assigned days each week. *For example, half of 3A attends M/W/F the first week while the other half of 3A attends T/Th. The following week, the groups flip their days and half of 3A attends T/Th while the other half of 3A attends M/W/F.*
36.76% - 68 Responses

- Option #2 - Two student groups within each grade level that attend either Monday / Wednesday or Tuesday / Thursday as well as Friday every other week. *For example, half of 3A attends M/W and the other half of 3A attends Tuesday/Thursday each week. During week 1, half of 3A also attends in-person instruction on Friday; the following week, they flip and the other half of 3A attends in-person instruction on Friday.*

63.24% - 117 Responses

Question 4

Anticipating that it will be feasible to provide Extended Day services both before and after school each day, please indicate how many of your children will typically attend our morning and afternoon session.

- Extended Day Morning Session - # of Children
Responses: Yes (19) / Possible or On Occasion (4)
- Extended Day Morning Session - # of Children
Responses: Yes (56) / Possible or On Occasion (6)
