## **Principal's Message**

This week I wish to share with you another important update regarding our faculty for the upcoming year. After twenty-three years of teaching 4<sup>th</sup> grade at All Saints, Mrs. Lee Sweeney has decided to retire at the end of this academic year.

For more than two decades, Mrs. Sweeney has demonstrated an outstanding commitment to the success of her students and the mission of All Saints. She has both challenged and supported her students, providing them a strong academic foundation rooted in the Catholic faith. By her example and through her words, she has contributed to the legacy and tradition that is All Saints. Without question, she will long be remembered not only for her high expectations but also for the level of care she demonstrated for her students. On behalf of the entire school community, thank you, Mrs. Sweeney, for your tremendous dedication and congratulations on your upcoming retirement!

### **FACTS Enrollment & Tuition Assistance Update**

As we make plans for the upcoming year, one of our priorities is that of continuing to provide as much tuition assistance as possible for families in our community. Through the generous and on-going support of our parish and the diocese, we have been able to provide financial aid totaling more than \$250,000 for the 2020-2021 academic year.

In an effort to secure as much financial support as possible for our community, we have submitted applications on behalf of our school families for funding through the *Diocese of Arlington Scholarship Foundation* and the *St. Beatrice Special Tuition Assistance Program*.

Diocesan allocations related to all of these sources of tuition assistance will be confirmed in the weeks ahead. Once we receive this information, we will be able to make final decisions regarding tuition assistance for those families who have applied.

Notification of tuition assistance funding for those who have applied will take place by early June. The FACTS re-enrollment process for 2021-2022 and selection of online tuition payment plans will occur during May with June 11 being the deadline for payment in full with a 2% discount.

Should you have any questions about this process or if we can be of assistance in this regard, please do not hesitate to contact the school office.
