

The Sentinel – June 9, 2021

Principal's Message

On Friday afternoon families and friends gathered with the 8th Grade Class of 2021 to celebrate their successful completion of our program and to wish them continued blessings as they transition to high school.

The ceremony represented an important milestone for our graduates and their families, many of whom have been part of our community for the past decade. Whether their children joined our school in Pre-Kindergarten or at another grade level, they have all been an important part of our story and we are grateful that they chose All Saints.

With this in mind, it has become a tradition for us to acknowledge those families who have been in our school for more than ten years and whose youngest child has now graduated. As such, I wish to recognize and thank the following families for their commitment to All Saints through the years.

Dalusung/Robinson Family (12 Years)

Delgado Family (13 Years)

Solano Family (14 Years)

Abando Family (16 Years)

To all of our school families, I wish to say that it is a great joy to have your children enrolled in our program. We are grateful to have the opportunity to partner with you, their first teachers, in providing for their education and formation. Working with your children each day, we share with you the privilege of inspiring the hearts and minds of the next generation.

As this academic year draws to a close, I wish to once again thank the faculty and staff for their extraordinary commitment. During an unprecedented year marked by uncertainty and challenge, they excelled in providing our students an engaging, supportive, and caring environment. I am grateful for their courage and heroic efforts as we reframed our program in response to the pandemic.

I also want to thank and commend our students for their resiliency and for the way that they responded to the many new procedures and expectations this year. Rather than

simply adhering to new routines, they demonstrated a high level of care and concern for one another, the result of which was a wonderful sense of community in each classroom.

Additionally, I wish to thank the parents in our community for continuing to choose All Saints for their family during the pandemic. We are grateful for your continued trust and look forward to many future years of partnership with you.

The success of this year, despite the challenges, simply would not have occurred without the hard work, creativity and determination of the Task Force. They invested countless hours in the planning process last summer and helped the school recalibrate as necessary during the year in response to changing circumstances. I am immensely grateful for their commitment and for their generous sharing of their time and talent. As such, I wish to thank Mrs. Horgan, Mrs. Snowden, Miss Morga, Mrs. Bill, Mrs. Pettyjohn, Mrs. Pryor, and Mrs. DeVore for all that they did in support of our mission and the children we serve.

I also wish to thank Fr. Lee for his leadership and pastoral care for our community as well as that of all of the members of our clergy. Through their prayer, example, and encouragement, they provided tremendous support to our school throughout this past year.

Tomorrow we will gather for a school-wide Awards Ceremony beginning at 8:15 a.m. via Zoom. A link to the event follows below. We hope that many of you will be able to join us as we officially close the 2020-2021 academic year.
