All Saints New Student Referral Program

The New Student Referral Program is open to all parents or legal guardians with Pre-Kindergarten through 8th grade students enrolled at All Saints, and teachers and staff employed by All Saints Catholic School.

Tuition credit awards will be given for referring new families to the school. To qualify for the incentive, referred students must be new to the school and cannot have a sibling currently or previously enrolled in All Saints Catholic School.

To qualify, referrals must be acknowledged during the initial contact with the school. To receive tuition credit, the Referring Family must ensure that the Prospective Family completes the referral portion of the Marketing & Referral Form included in the All Saints New Student Application Packet.

All new students must meet standard enrollment criteria.

Tuition credits will be applied in October for students starting at the beginning of the school year. Credits for students starting through the end of December will be applied one month following the start date of the referred family. Tuition credit for students starting from January – May will be applied in October if the student remains enrolled at All Saints the following school year.

Families who paid their tuition in full and teachers and staff without students in the school who make referrals, will receive an incentive check equal to the amount of the tuition credit.

Please note that each All Saints family can be awarded for up to two referrals per school year. The New Student Referral Program is subject to review and modification. Interpretation of program parameters will be at the discretion of the Principal.
