Finding Your Way to Heaven

With insights on how the family is made to live as a "communion of persons" in the image of the Most Holy Trinity, Soren & Ever will show us heaven's basic posture and how hell often manages to sneak up on us despite our best intentions.

Thursday, February 23

Unlocking the Five Levels of Catholic Family Life

Soren & Ever will detail the five levels of family life and how they are connected. We'll learn how to unlock the door of each level and start building it out with regular core practices and special places to transform family life in practical ways.

Wednesday, May 24

Leading Your Family Heavenward Day-by-Day

Upon building out the five levels, we need effective tools to continue moving toward heaven. Soren & Ever will discuss the best tools for developing family life. The series will end with a discussion of the proven key to success for finding heaven in our homes.

There is no charge to attend this Speaker Series.
