Principal's Message

This week I share with you the news that Mrs. Janis DeVore, Director of Marketing and Development, will be leaving her position at the close of the school year in order to transition into a new employment opportunity. For the past eighteen years, Mrs. DeVore has done outstanding work for our school, managing our communications, social media, enrollment planning, marketing efforts, annual fund campaign, alumni gatherings, and the roll-out of the video production program. She has significantly impacted the life of our school, consistently articulating and communicating the brand that is All Saints. Through her kind and thoughtful interactions with others and her strong commitment to our faith she has truly helped to advance the mission of our school. And through her professionalism, poise, and ever-gracious manner, she has helped to set the standard and inspired others in our community. We thank her for her many years of dedicated service and wish her abundant blessings as she begins her new role.

Additionally, this week I wish to provide an update regarding the middle school literature program. As I have not been able to identify a candidate to fill the current opening for a full-time teacher for the remainder of the academic year, Mrs. Ward has graciously agreed to continue in her role of long-term substitute teacher through June. I am grateful for her dedication and her focused implementation of the new reading program, the result of which is a learning environment that is both challenging and supportive for our students.

On Friday, students in the middle school will participate in our first Renaissance Faire, a cross-curricular event that will include a wide-range of interesting and engaging learning activities. I wish to thank the Middle School Team for their many hours of planning that began last August and for all that they are doing to make this a meaningful experience for our students. In a particular way, I wish to thank Ms. Smith, social studies teacher, for organizing and leading the effort.

In preparation for the event, students have been writing sonnets and I was fortunate to visit the language arts classroom last week where I witnessed them working on the final revisions of their projects. As I spoke with students and reviewed their work, I was proud not only of their understanding of sonnets, but of the fact that they were so invested in the process, carefully composing and decorating their poems. I was inspired by their efforts and thought I would take this opportunity to share one example with you, just in time for the start of Holy Week.

Jesus

*Oh Lord of love so kind and true and bright
He walked with us and showed amazing grace
He shone with hope throughout the darkest night
Then took the cross to save the human race
With wounded hands he broke our chain of sins
A crown of thorns upon His head was laid
Yet through His pain salvation did begin
And death itself before His feet obeyed
His tomb was bare and the stone was rolled away
The victory of life forever won
The morning dawned with hope's eternal ray
Then mercy rose anew with rising sun
O Jesus King of Heaven reign above
Please fill our hearts with everlasting love*

CRS Rice Bowl Collection

Thank you for encouraging your children to participate in the CRS Rice Bowl project during this Lenten season. This effort has provided our students with a specific way to embrace the practice of prayer, fasting, and almsgiving and to truly make a difference in the lives of those who are suffering in our local community and around the world.

Families who have participated in the Rice Bowl effort are asked to convert the monetary donations into checks made out to All Saints Catholic School and to forward them to the office by **Wednesday, April 16.**

Please be sure to include a reference to "CRS Rice Bowl" in the memo section of the check. All of the proceeds will be totaled and forwarded to the Diocese of Arlington in support of Catholic Relief Services.
