### **Principal's Message**

Today, Ash Wednesday, we begin our Lenten journey. Again this year, our school will participate in Catholic Relief Services' (CRS) Rice Bowl initiative, a faith-in-action program that invites us to encounter anew ourselves, our neighbors, and our God.

Each of the students has received a cardboard rice bowl into which they can place their donations during Lent. All of the funds will benefit CRS Rice Bowl which is sponsored by Catholic Relief Services, the official international humanitarian agency of the Catholic community in the United States. Catholic Relief Services is motivated by the example of Jesus Christ to assist poor and suffering people in more than 100 countries on the basis of need, without regard to race, religion, or nationality.

While the act of sacrificial giving is an important part of our Lenten tradition, the experience takes on even greater meaning when our students understand the plight of those less fortunate and recognize the difference that they can make to

alleviate suffering. So that the children may develop this appreciation of the needs of those around the world, each week of Lent the teachers will lead discussions and lessons using the materials made available by Catholic Relief Services. It is our hope that these conversations will inspire sacrificial giving among our students as they place their contributions into their Rice Bowls. At the end of Lent, families will be asked to convert the contributions from their children into a check to be submitted to All Saints after which our school will forward all of the funds to the diocese.

Here are some strategies that you may wish to consider in shaping your family's Lenten plan:

- Use your CRS Rice Bowl and Lenten Calendar each day to guide your Lenten prayer, fasting, and almsgiving.
- As a family, read the online Stories of Hope and daily reflections to inspire your Lenten journey and guide your Lenten almsgiving.
- Prepare simple meatless meals on Fridays throughout Lent, in solidarity with our brothers and sisters around the world. Recipes for simple meals can be found on the CRS website.

For more information, including spiritual reflections, short video presentations on the topic of Lent, and virtual Stations of the Cross, please see the link below.

Again this year, we will also introduce our students to the Chaplet of Divine Mercy, another devotion of our Church. With this in mind, we will pray the modified prayer found below at the close of the day in place of the Hail Mary on Fridays during Lent.

Helpful resources and the history of the Divine Mercy Chaplet can be found at the following link.

*Wishing you and your family a blessed Lenten season!*

### **Divine Mercy Prayer**

*Eternal Father, I offer you the Body and Blood, Soul and Divinity of Your Dearly Beloved Son, Our Lord, Jesus Christ, in atonement for our sins and those of the whole world.*

*For the sake of His Sorrowful Passion, have mercy on us and on the whole world.*

*Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and on the whole world.*

*Jesus, I trust in you.*

### **Message from the PTO President – Survey Results**

Dear Parents and Guardians,

Thank you for your responses to the recent PTO survey on ways to improve the General Assembly. Based on your feedback, we learned that many of you are unable to attend General Assembly meetings due to other commitments and/or a lack of childcare during the meeting. While the meeting times are set for this school year, we will look into alternative dates/times for next school year. We will also look into providing childcare at upcoming General Assembly meetings.

We also learned that not everyone is aware of the purpose of the General Assembly and are unsure if parents or guardians should attend. Everyone is welcome to attend the General Assembly meetings, as they are designed to be opportunities to come together and strengthen the partnership between families, the school, and community alike.

The PTO also appreciates the feedback regarding topics of interest for the General Assembly meetings. Many of you are interested in learning about the school's curriculum, how to help your child succeed academically and socially, and how to help your families grow in faith. Safety, both at school and online, was another topic with a great amount of interest. We also appreciated the suggestions on how the PTO could make information, such as the budget, more available to the school community.

Please know that we are taking all of the feedback we received into consideration and will do our best to incorporate it into future General Assembly meetings.

Thank you again for taking the time to complete this survey. Please feel free to reach out with any additional questions, comments, or suggestions.

Sincerely,  
Joanna Stenson
